33" Retractable Banner – Double Sided

(SKU: BS33D)

Illustrator Template

***CMYK Color Space**

1. Extend all background colors/patterns into the bleed/banner areas (**RED**); we recommend keeping all important text and graphics away from bleed/banner clamp zones to avoid obstruction.
2. Remove all guidelines and template from final artwork.
3. Save your file as a **JPG, PDF, AI, EPS, PSD, or TIFF**.

***If submitting an Adobe file, please ensure that all linked images are embedded and that all purchased/copywritten fonts are rasterized or converted into outlines.**

***BS33D Products can have up to two different graphics per unit.**
